Officer Retreat

Our newly elected officers got away from the stress for a weekend of team building and planning. During this trip, our officers were able to ski, laugh, and talk about their goals for the year. Every year our officers take this trip to identify what they want to see from the chapter through the year.

Career and Leadership Development Events Spotlight Event

Our Parly teams recently competed in the section competition at Delphi on January 20th. Each team had great success, the chapter team placing first in their division and the novice team placing second in their respective category. With these placings, each team will be advancing to the state competition on February 12. Keeping their focus, the teams are continuing to practice hard and hope for the best. Great job to all the participants!

Farmer's Breakfast

On January 27, our chapter was honored to continue the long-running tradition of our chapter to serve breakfast to farmers in our community. 36 members helped to serve local farmers breakfast before school. Starting at 6:30 am, the members served 39 farmers a delicious breakfast of french toast, sausage, and applesauce. It was a delight to be able to serve the integral members of our community!
