If you have any questions, please feel free to ask any older FFA member or our advisor, Ms. Howell

FFA Week

FFA week is one of the most exciting weeks of the year for FFA members! They are able to dress up and participate in fun activities. From tie-blanket making and movie watching to Ag Olympics during the school day, students have so many opportunities to get involved during this week. Many students especially enjoy the tradition of driving their tractors to school. It's just another fun way to promote agriculture in our community.

Congrats to the Ag Olympics overall winning class: Ag Business, and thank you to all the members and students that participated during this week.

Career and Leadership Development Events Spotlight Event

Members competing in a leadership development event at the upcoming district contest have been hard at work finalizing their projects. This time of year is always a push to get to the finish and our members have blown it out of the water. Practice, practice, practice! Members have been using their free time to practice and perfect their presentations. Good luck to all of these members as they compete at the district contest on March 12!

Staff Breakfast

Ever dedicated, members of our chapter came to school early on the morning of February 24th in appreciation of the staff here at our school. Members served a breakfast of french toast, sausage, and applesauce. Numerous members came to serve the staff that serves them every week. Thank you to all the members that helped serve breakfast and the staff that came out for breakfast.
